

## Gas Chromatography Analysis

Dear Customer,

Attached you will find the results of gas chromatographic analysis based on the information provided by our Producer/Laboratory for:

**Sample Reference**                      **2635**

We testify that the Chromatographic Analysis (GC) for the mentioned sample is identical with:

**Product No.:**                              **2635**  
**Product Name:**                          **Sage triloba**  
**Botanical Name:**                        **Salvia triloba**  
**Batch No.:**                                **1020285**
